### About Bridge Meadows

Bridge Meadows brings the generations together to improve health and well-being through connection, purpose, and belonging. Built around the concept of interdependence, our affordable housing communities support children who have experienced the foster care system, their adoptive families, and elders who serve as mentors. We envision a world where every child has a family, every parent is given the resources to thrive, and every generation is cherished.

### Our Reach

Bridge Meadows has partners and stakeholders not only across the state, but across the country, providing your company or organization a vast audience for marketing and PR when you partner with us to sponsor an event or program.

## PROGRAMS

Camp Scholarships

School Supply Drive

Happiness Hours

Summer Socials

Movies in the Meadow

Holiday Cheer Program

Bridge Meadows hosts a variety of programs designed to reduce stress, promote well-being, and remove barriers to success. Each of the following programs are a vital part of our model, and we work closely with local nonprofits, faith groups, schools, and other organizations to ensure our community members have the resources they need to lead healthful, abundant lives.

When your company or organization sponsors one of these programs, you will enjoy the following benefits:

- Recognition in the Bridge Meadows Annual Report (print & digital).
- Appreciation video from someone on our team.
- Shout-out on social media with logo & name.
- Thank you cards written by our community members.
- The knowledge that you are contributing to the success and well-being of children who've experienced foster care, their forever families, and older adults.

### Camp Scholarships

For many children at Bridge Meadows, summer is not just a time away from school, but also a chance to attend camps, explore passions and hobbies, develop friendships, and promote further learning. Most parents at Bridge Meadows struggle to afford the camp fees. Your company or organization can sponsor a Bridge Meadows community to provide scholarships for youth .

*A gift of \$1,000 will support two family's camp experience for one summer, and ensure they can thrive, learn, and build social capital.*

### School Supply Drive

Academic stability is vital to ensuring a child's lifetime success, feelings of safety & belonging, and overall well-being. For a single mother raising 5 young children who have experienced the foster care system, this burden is impossible to bear. Your company or organization can provide new school supplies or monetary support to families at Bridge Meadows to ensure they have a successful academic year and have the resources they need to prosper.

*A gift of \$500 will support one family's school supplies for one year.*

## PROGRAMS

### Happiness Hours

Twice a month, the entire community gathers to share a meal, build community, and announce news or ask for support. The highlight of everyone's month, it's akin to a family Thanksgiving Meal. Children share their recent test grade, their sports team's latest win, or a new art project. Elders enjoy time together, ask for support following a surgery, and have a guaranteed, healthy meal. Parents can be confident that their children are well looked after by the elders in the community.

*A gift of \$500 provides the food for one month of Happiness Hours at one community. Any sponsor of this program is invited to attend and witness the impact of their gift firsthand.*

### Summer Socials & Movies in the Meadow

Not of all our programs are about fulfilling an essential need; some of them are simply about building community and having fun together. Every summer, at each of our locations, Bridge Meadows hosts a Summer Social and Movie in the Meadow. The Board of Directors, staff team, community members, and supporters come together to enjoy summer fun with ice cream and family-friendly entertainment. These events are an excellent opportunity for supporters like you and your company or organization to visit Bridge Meadows and witness the impact of your gift firsthand.

*A gift of \$2,000 will support one summer event for one community.*

### Holiday Cheer Program

The holidays can be some of the most challenging and stressful times of year. To reduce some of these challenges and stressors, Bridge Meadows hosts an annual Holiday Cheer Program to spread joy and promote well-being among our community members. Every donation we receive for this program goes *directly* to families and elders in the form of prepared meals, food baskets, and gift cards. This program honors the love and dedication of our community members and provides us an opportunity to give back and express our appreciation for everything they do.

*Every gift of \$1,000 supports one family during the holidays, and every gift of \$250 supports one elder.*
