

Derenda Schubert, Ph.D. | Executive Director

Dr. Derenda Schubert is a psychologist with professional experience, including counseling children and families as well as creating, managing, and evaluating programs in the realms of foster care, mental health, and developmental disabilities. She has held several executive leadership roles, including Chief Operating Officer and Associate Director of Training at two of Oregon's largest child and family mental health agencies. She is also a former Board Member of Bridge Meadows. Dr. Schubert is an intergenerational champion, leading the team that created Bridge Meadows, advocating nationally for intergenerational solutions to complex social challenges, spearheading strategic planning, and shaping Bridge Meadows' expansive vision for the future. Dr. Schubert speaks locally and nationally on the topics of children's mental health, community building, and intergenerational living. She is an American Leadership Forum Senior Fellow and an Encore Public Voices Fellow. Every day, she is inspired by the love of her grandmothers and her children.

You can see Derenda's TEDx talk on the [superpower of intergenerational living here](#).
